

## ABOUT US

UP offers a rich variety of academic and scientific disciplines to more than 6000 students. Within our diverse and content attractive study programmes we stimulate students' curiosity and encourage them to find solutions through the application of different techniques and sciences.

# KEY INFORMATION FOR INTERNATIONAL STUDENTS

### ONLINE PREPARATORY DAYS

*July, August and September 2021*

We will also present our culture, habits and environment. All this will be done during the **Online preparatory days** that will also include a **30-hour online Slovene language course - Speak UP Slovene**.

You can join the preparatory days

**1<sup>st</sup> course:** 19–30 July 2021

**2<sup>nd</sup> course:** 9–20 August 2021

**3<sup>rd</sup> course:** 13–24 September 2021

Hurry up and choose the period that suits you best.

Apply here

### ORIENTATION DAYS LIVE IN KOPER AND ONLINE

*28 September–3 October 2021*

Besides the online preparatory days, we are looking forward to welcoming you live in Koper. We are organizing **Orientation days** for you to meet people, get to know your university and your tutor, explore your new environment, take part in our workshops, learn Slovene and have fun!

Check here

## FREE SLOVENE LANGUAGE COURSES

Students enrolled in programmes conducted in Slovene, have to pass the Slovene language examination (level A2) prior to enrolment in the second year of studies.

We will help you by offering you free of charge Slovene language courses (level A1 and A2).

## DORMITORIES

We reserve 15 % of beds in our dormitories for foreign students; priority is given to students enrolled in the first year of bachelor studies for the first time. The call for applications for residing in our Student residences is open.

**Application deadline: 30 July 2021**

Check here

## SCHOLARSHIP FUND

UP offers scholarships to the most promising students. The call for applications is open.

**Application deadline: 30 September 2021**

Check here

## YEAR PLUS

If you do not speak Slovene or your knowledge of the Slovene language is inadequate and you are enrolled for the first time in one of the UP study programmes conducted in Slovene, you are eligible to enrol in **Year Plus**.

In their first year of study, students enrolled in Year Plus have to pass the exam of the Slovene language course with at least 6 ECTS credit points and complete other study obligations of at least 24 ECTS credits, while any remaining study obligations from the first year may be completed in the next academic year, when they are still enrolled in the first year of the same study programme.
