FULL ARTICLE PREPARATION AND SUBMISSION GUIDELINES

8TH INTERNATIONAL SCIENTIFIC CONFERENCE
»HEALTH OF DIFFERENT AGE GROUPS«

17. September 2026

Full article submission is optional. Authors may submit the complete article if they wish, but it is not a required.

Full articles of the participants in the international scientific conference “Health of Working-Age and Older Adults” will be reviewed and published in an online Book of contributions on the conference website <https://fvz.upr.si/konferenca/> after the event.

Deadline for the full article submission: **August 10, 2026.**

Full articles are limited **from 10.000 to a maximum of 25.000 characters** including spaces (approx. 6 printed pages, references included), **maximum of 4 figures and tables** (combined), A4 format, Times New Roman font size 12 pt, all margins 25 mm, single spacing, justified alignment, paragraphs without indentation but separated by a blank line, **maximum of 20 references.**

The full article has to be written **in English language.** Authors for whom English is not the first language should have their full articles proofread by a proficient English speaker. The abstract of the full article has to be in accordance with the previous accepted abstract.

The authors are invited to use the article template, which is published on the website.

The abstract should be submitted **as a Word document** on the website: <https://fvz.upr.si/article-submission-form/>.

After the review of your full article, you will receive the document with reviewer's comments. In case of major/minor revision suggested, you will be asked to resubmit the corrected text of the full article. It should also be submitted **by email as a Word document** to conference@fvz.upr.si.

For Slovenian authors: Definition of the article typology

An invited lecture differs in significance from other lectures at the same conference. Invited plenary lectures will be classified into type 1.06 (Published Scientific Conference Contribution (invited lecture)). Other articles will be classified into type 1.08 (Published Scientific Conference Contribution) according to the typology of documents/works for bibliography management in COBISS

Structure of the articles

A full article should consist of the following items:

- Title,
- Information about the authors: name and surname of the author/s, institution, address and e-mail address for each author and co-authors,
- Abstract and keywords,
- Introduction,
- Methods,
- Results,
- Discussion,
- Conclusions,
- References.
